Kobi Annobil is a 29 year old comic book and 1990s rap enthusiast from West London. He knew that he wanted to be an author from the moment he got a gold star for a dramatisation of the Nativity Story age of 5. Having fallen in love with *The Justice League of America* and *X-Men* comic books in his formative years, he has finally bitten the bullet and begun work on his own, *Whiskey & Whimsy*, illustrated by his old school friend/enabler, classically trained artist Steve Musgrove. He is also working on the *Collinio's Circus* series of Children's books with Christina Finch.

A qualified journalist, Kobi is a regular contributor to a number of publications, interviewing artists, musicians and writers from all over the world.

Kobi has contributed to numerous websites:
